Important Notes

- **We are please to announce Courtney Maynard as our new Associate Director of Soc & Rec!** Courtney comes to us with great experience creating & supervising adult programs, including Special Olympics sports, art classes & much more. We look forward to having her meet everyone once she starts later this month, as well as, creating new programs and coordinating our current ones.
 - I want to thank everyone for their patience the past few months as we searched for a new leader for the Soc & Rec program.
- **Softball:** We currently do not have a Softball Coach, so there will unfortunately be a delay in the season starting. Notices will be sent out as soon as we have an update. *If you know of anyone who is interested in coaching, please have him or her contact us!*
