Dear...
I am thrilled to be running in the 21st Annual Flutie 5k to raise funds for the Doug Flutie Jr. Foundation for Autism and The Arc of South Norfolk. I consider this a great challenge but also a tremendous privilege. (The reason why you are running in 1-3 sentences).

*Insert a few sentences to let them know why it is so important to raise money for The Arc of South Norfolk.*) See examples below:

Your donation will continue to improve the daily lives of people and families affected by autism. The Flutie Foundation provides direct financial support to those affected by autism, which makes an immediate impact on these families. Your generosity will provide tablets and assistive technology camp and sports scholarships, help people with autism pursue their musical and artistic talents, or ensure the safety of an autistic child by providing funding for a fence or GPS safety bracelet. The Flutie foundation is committed to making a difference TODAY so people with autism can lead productive lives where they are included, respected and actively engaged in their community.

Join me on my journey by donating here:

I will be forever grateful and know you will be one of the reasons I am motivated to cross that finish line in September!

“For those of you who don’t know, I am thrilled to be running Dougie’s Epic Adventure – A magical 5k for the Flutie Foundation and The Arc of South Norfolk! Autism now affects 1 in every 59 children. The Flutie Foundation provides people and families with autism the opportunity to live their life to the fullest. As you know (insert why you run – for your son, daughter, niece, children you work with, etc.). Help me reach my goal of raising $X so that people like (the person you are running for), can continue to live their best life. (Add your RACE ROSTER Link here)”

Facebook: Tag people. Publicly thank people who donate on your Race Roster page by writing on their page. “Include your Race Roster link on your thank you post!”

Instagram: Post on your story and have people share your story to theirs! Thank people on your story (so they will share on theirs). Do an Instagram live!

Twitter: Good for quick updates: “I’m $100 away from reaching $XXX.”
