1049 Main Street, (Rte 1A), Walpole, MA

Dine In – Curbside Pickup – No Contact Delivery

This fundraiser was inspired by Tyler Forgeron, a Walpole resident with autism whose charitable efforts have taken off on social media with his Facebook page, 'Tyler Can'. Tyler began collecting recyclable cans when his employer temporarily shut down due to the Covid pandemic. He has dedicated his free time collecting recyclable cans, donating over \$6,300 to local charitable organizations.
